

Established in 1991, PKE Lighting provides the Film and Television industry an enviable inventory of the entire spectrum of Lighting Equipment through multiple locations throughout the UK. Due to consistent growth PKE is currently recruiting in all areas of our dedicated team.

Job Description

Electrical and Electronic repair technician

An exciting opportunity has arisen for a technician to join our busy maintenance team at our head office in Greater Manchester. The ideal candidate should possess a good understanding of electrics and electronics and if selected for an interview will complete a technical competency assessment. On the job training will be provided. Owing to the physical demands of the role, a good standard of fitness is required.

Duties include but are not restricted to:

- Manufacture and repair of lightweight and heavyweight cable assemblies
- Repair of mains distribution equipment
- Repair of lighting equipment, power supplies, dimmers and ballasts
- Fault finding and repair of electronic equipment
- Electrical installation
- Portable Appliance Testing PAT
- Commissioning and labelling of equipment

Preferred Qualifications

- BTEC Technology / Electrical / Electronics
- Electrical wiring regulations
- Inspection and Testing
- City and Guilds Electronics
- Full UK Driving Licence

Experience in the Film lighting industry would be advantageous however not essential as full training on all aspects of the equipment will be provided for the candidate who can demonstrate the required skills.

Relevant experience

- Electrical / Electronic
- Use of hand tools, power tools and test equipment
- Soldering
- The ability to work to deadlines and complete tasks in a timely manner
- Computer literate and basic IT skills
- Basic admin and the ability to submit reports of damaged equipment to management

Hours

The position is Full time and requires the candidate to work a 40hour week . During busy periods overtime will be required therefore a flexible attitude to this is a necessity.

All interested personnel should email CV's to careers@pkelighting.com
